

Navy STEM Coalition

SPRING 2022

SEMINAR SERIES

WEDNESDAYS, 5-6PM
1/26/22 - 4/27/22

The Naval Science & Technology Seminar is a weekly seminar on naval-related topics for undergraduate and graduate engineering students at UConn and URI delivered by regional naval professionals. These seminars inspire students by exposing them to real-world naval applications strengthen students' professional identification with naval-related careers, which is known to improve students' persistence in STEM programs.

Speakers will present topics addressing current issues and technical challenges, promoting innovative thinking within the student body.

PRESENTERS

Excellent Recruiting Opportunity

- Have the opportunity to meet students at all academic levels at both campuses

Convenient Location

- May choose to present at either UConn OR URI (seminar will be broadcast to other campus)

Minimal Time Commitment

- Presenters are only asked to speak at a single 1-hr session

IF INTERESTED IN PRESENTING, CONTACT US!
